

Inventory of Research Reports and Support Documents

Last updated 5/11/01

The following checked documents are available for review by on-campus constituents participating in the Middle States Self Study Review process. Items preceded with the word "new" were received this past week. They are kept on file in room R114 of Brockway Hall. During final exams and summer session, there will be no regular hours. However, a key is always available in the Advisement and 1st Year Programming Office, if you need to gain entry to access reports. Please contact Joy Hendrick at (607) 753-5707, (607) 753-5497, or send e-mail to hendrick@cortland.edu if you have any questions or if you are looking for a specific document.

Our Office of Institutional Research and Assessment has compiled a separate inventory of reports and statistical releases that are available from that office. Please contact Dr. Robert Ploutz-Snyder at (607) 753-5565 or send e-mail to robertp@cortland.edu for more information.
