

COR 101 Instructor Grant Application Instructions

COR 101 Instructor Grants provide an opportunity for instructors to involve their COR class in activities to help integrate the students into the campus and within their respective departments.

The grants can be used in a number of ways...

- Subsidize tickets to off-campus events such as theatre and/or musical or community events
- Cover the cost of transportation to events or field trips
- Fund guest speakers
- Support the cost for fundraising or volunteer activities.

The amount of funding may range between \$50.00 to \$200.00. There are approximately 20 grants available. However, the number of grants and the amounts may change based on instructor interest and needs.

Instructors interested in applying for a grant should fill out the attached application and return to the COR office by Friday, September 14. No grant application will be accepted if submitted after the date of the event/activity.

Applications will be reviewed by the Advisement and Transition office and/or the COR Committee. Upon approval, an award letter will be forwarded to the grant recipient.

Thank you for your interest in the COR 101 Instructor Grants.

If you have questions or need additional information, please contact Lori Schlicht at 607-753-4726 or schlichtl@cortland.edu.
