ONEONTA, N.Y. – Junior Megan Kelley (Newburgh/Wallkill) improved on her own school record in the pole vault and freshman Joven Weir (Mt. Vernon) and sophomore Christina Acquaviva (Utica/Proctor) each won two events to help Cortland finish first at the five-team Oneonta State May Meet. Cortland scored 155 points to edge the host school, which finished with 139 points, and Plattsburgh, which was third with 104 points.

Kelley’s winning pole vault of 11’ 0.75” eclipsed the school-record height of 11’ 0.25” she cleared last week at the SUNYAC Championships in Oneonta. Weir won the discus (110’ 10”) and javelin (108’ 9”) and placed second in the shot put (32’ 0”). Acquaviva was victorious in the 100-meter hurdles (15.58) and the high jump (4’ 11”).

Freshman Ashley Wirges (Hopewell Junction/Arlington) took top honors in the 200-meter dash (26.85) and finished second in the 100-meter dash (13.05). Senior Rachel Glod (Waterville) won the hammer throw (147’ 3”) and senior Betsy Schultz (Akron) clocked a time of 11:52.60 as the lone competitor in the 3,000-meter steeplechase.

Cortland will compete at the ECAC Division III Championships at Springfield College on May 19-20, a week later than originally scheduled.
