

Physics 690 – Independent Study in Physics

Catalog Description: Graduate independent study and/or research under faculty direction. A written report or thesis is required. May be repeated for not to exceed six semester hours. Prerequisite: Consent of department (1-3 cr. hr.)

Course Information: Fall 2000 Term
TR Lab: 1:00 - 4:00 p.m.
Bowers Hall 139
3 credit hours

Professor Information: Professor Richard M. Wheeler
Bowers 143
(607) 753-2822
WHEELER@CORTLAND.EDU
Office Hours: MW 9-10 and TR 2:30-3:30
Or by appointment

Attendance Policy: Laboratory work or advanced study should be performed on a weekly basis, but strict adherence to times and days will not be required.

Required Texts: None

Evaluation of Student Performance: Final thesis will be evaluated by the physics faculty.

Course Goals:

- 1) Study some aspect of experimental or theoretical physics in depth using whatever equipment or literature resources are available in the department and college.
- 2) Write a paper in sufficient detail and coherence that it could be published in an appropriate journal.

Students With Disability:

If you are a student with a disability and wish to request accommodations, please contact the Office of Student Disability Services located in B-40 Van Hoesen Hall or call (607) 753-2066 for an appointment. Information regarding your disability will be treated in a confidential manner. Because many accommodations require early planning, requests for accommodations should be made as early as possible.
