

**ENGAGING THE VIDEO GENERATION**

**THE STATE UNIVERSITY OF NEW YORK AT  
CORTLAND AND DARTFISH INVITE YOU TO  
PARTICIPATE IN A UNIQUE TECHNOLOGY FOR  
LEARNING SYMPOSIUM AT SUNY CORTLAND**

**TUESDAY MARCH 25, 2008  
1:00 TO 6:30 - SPERRY CENTER RM. 105**

***SYMPOSIUM HIGHLIGHTS***

**THE COMMUNICATOR 08 BRINGS YOUR INSTRUCTION TO LIFE** with easy-to-use feedback of presentations, performances, exercises and experiments in any discipline. This one-click color-coded system records and plays the parts you choose to highlight in a video or series of videos. Simply point and click to make your video selection and then play back for individual or group viewing. You can also set a delay timer, so that groups of students can receive immediate video feedback, without anyone having to operate the computer or camera.

**THE DARTFISH NORTHEAST TRAINING CENTER AT SUNY  
CORTLAND WILL MEET YOUR DIGITAL VIDEO TRAINING NEEDS.**

Located in the Sport Media & Technology Learning Center at Studio West on the SUNY Cortland campus, the Dartfish Northeast Training Center offers several levels of customized, discipline-specific training and certification programs for all Dartfish software solutions.

**LEARN FROM SPECIALISTS IN BOTH ACADEMICS AND ATHLETICS** how Dartfish can greatly enhance the way you teach and coach. See first-hand how sport industry professionals, biomechanists, trainers, coaches and classroom teachers are utilizing this ground-breaking software solution.

***ATTEND THE SYMPOSIUM AND RECEIVE***

- > **DEMONSTRATIONS AND INSTRUCTION** FROM DARTFISH DIGITAL VIDEO EXPERTS
- > **THREE MONTHS USE** OF THE COMMUNICATOR 08 BETA VERSION WITH REMOTE CONTROL FOR FREE
