Dartfish Video Coach Training & Certification Course

Description: The Dartfish Video Coach training and certification is a first level course designed to educate students on the basics of digital video analysis and Dartfish software and hardware. Students will attend eight hours of training over the course of two days and will be able to demonstrate an introductory understanding of the software and hardware processes used to shoot, capture, analyze and distribute digital video using Dartfish. The application of Dartfish to all sports and academic disciplines will be profiled. The following topics will be covered: Introduction to Digital Video Analysis & Dartfish, Equipment Requirements & Setup, the Player and Library Modules, Digital Video Input and Output, the In-the-Action Module, the Analyzer Module, Media Books, the StroMotion Module, the SimulCam Module and the Tagging Module. Participants will also have access to SUNY Cortland's student technology core for support for six months after training.

Required Knowledge: Previous experience with the Windows operating system is required. Previous experience with digital video filming and analysis is helpful but not required.

Certification: The Dartfish Video Coach Certification exam is available for students to take at the end of the course. Certification exams are also given at the end of each semester in the Sport Media & Technology Learning Center on campus. The cost is \$75 per attempt. A grade of 85 percent or higher is considered a passing grade. 75 percent of the test is practical and 25 percent of the exam is written. Official certificates will be issued to all students who pass the exam.

Cost: \$395 per person. A 10 percent discount will be given to organizations who sign up five or more for a training session. Payments are accepted via the Dartfish Web site at www.buydartfish.com.

Refresher Course: This course is for student who would like to take the Dartfish Video Coach training course a second time. The cost is \$250 per person. A 10 percent discount will be given to organizations who sign up five or more for a training session.

Location: All Dartfish Video Coach training courses will be held in the Sport Media & Technology Learning Center in the Studio West Building on the campus of the State University of New York at Cortland.
