Cortland's Kelli Johnson Receives SUNYAC Field Hockey Player of the Week Honors

SUNY Cortland sophomore forward Kelli Johnson (Elma/Iroquois Central) has been chosen as the State University of New York Athletic Conference (SUNYAC) field hockey Player of the Week for the week ending Sept. 5.

Johnson scored three goals in Cortland's season-opening 4-3 win versus Johns Hopkins University on Sunday in Baltimore. She scored the Red Dragons' final three goals of the game, including scores that broke 1-1 and 2-2 ties.

Johnson led Cortland with 22 goals last season – the highest single-season goal total by a freshman in school history. She tied an NCAA Division III tournament record with seven goals in three games, including three goals each in victories over Wittenberg and Williams. The Red Dragons advanced to the national semifinals for the ninth time in school history.
