Cortland’s Marcus Matyas Chosen as SUNYAC Men’s Field Athlete of the Week

SUNY Cortland senior Marcus Matyas (Hamburg) has been selected as the State University of New York Athletic Conference (SUNYAC) Men’s Track and Field “Field Athlete of the Week” for the week ending April 16. It is the second time in three weeks that he has received the honor – he also earned the award for the week ending April 2.

Matyas finished second of 21 in the discus (161’ 11”), third of 23 in the shot put (51’ 8.25”) and fifth of 21 in the hammer throw (162’ 0”) at the Bucknell University Bison Outdoor Classic. Both his discus and shot put efforts met NCAA provisional qualifying standards. His hammer throw was only a quarter of an inch shy of his own school record, set two weeks previously at Ithaca.

Matyas was the top Division III finisher in both the discus and the hammer and the second-best Division III competitor in the shot put.
