Cortland Basketball Guard Dani Maye and Volleyball Middle Hitter Katie Pietrzak Named SUNYAC Chancellor's Scholar-Athlete Award Winners

SUNY Cortland women's basketball sophomore guard Dani Maye (Kirkwood/Windsor) and women's volleyball senior middle hitter Katie Pietrzak (Rochester/Greece Arcadia) have been chosen as State University of New York Athletic Conference (SUNYAC) Chancellor's Scholar-Athlete Award winners in their respective sports during the fall and winter seasons.

The awards are given to one student-athlete in each SUNYAC sport who has the highest cumulative grade point average among all first-team or second-team all-conference selections. To be eligible, a student-athlete must have completed at least three semesters.

Maye and Pietrzak will be presented their awards by SUNY Chancellor Robert L. King in Albany at a banquet. The banquet site and date will be determined in April.

Maye is a kinesiology major with a 3.89 grade point average. A first team All-SUNYAC selection, Maye averaged 13.5 points and 6.3 rebounds per game. She was also a second team Academic All-District selection in her sport. Maye helped the Red Dragons finish 25-5, win the SUNYAC title and advance to the NCAA Division III second round.

Pietrzak is a childhood education major and history minor with a 3.78 grade point average. A first team All-SUNYAC and Academic All-District honoree, Pietrzak led the SUNYAC with a .362 hitting percentage and was Cortland's leader with 139 blocks (1.1 per game). Cortland finished the season with a 44-3 record, won the SUNYAC title and tied for ninth nationally in the NCAA Division III tournament.
