Cortland’s Kaylin VanDusen and Dani Maye Repeat as ESPN the Magazine Academic All-District Recipients

SUNY Cortland senior guards Kaylin VanDusen (Schuyler/West Canada Valley) and Dani Maye (Kirkwood/Windsor) have been selected to the 2006 ESPN the Magazine Academic All-District I College Division Women's Basketball Team.

VanDusen was one of five players named to the all-district first team. She advanced to the national Academic All-America ballot but did not receive national honors. VanDusen was a second team all-district selection last season. Maye was chosen to the all-district third team this year, marking her third year as a regional honoree. She was a first team all-district choice last year and was on the second team as a sophomore.

The College Division District I team encompasses Division II, Division III and NAIA schools in New York and New England (seven states total) plus three Canadian provinces. Only 15 student-athletes from those regions were named to the all-district team.

VanDusen is a business economics and sport management major with a 3.96 grade point average. She led Cortland this season with 14.5 points and 1.6 steals per game and was second on the squad with 3.2 assists per contest. She was selected as the State University of New York Athletic Conference (SUNYAC) Player of the Year and also earned a spot on the SUNYAC All-Tournament Team for the third time in four seasons. VanDusen finished her career fifth on Cortland's scoring chart with 1,231 points. She played in all 112 games during her four years at Cortland, including the last 110 as a starter.

Maye is a kinesiology major with a 3.93 grade point average. She averaged 7.3 points and 4.4 rebounds per game in 28 games as a starter this winter. She also averaged 1.3 steals and 1.7 assists per contest. Maye ranks seventh on Cortland’s career scoring list with 1,161 points, and her 183 three-pointers are the second-most in school history. Maye played in 110 games, 109 as a starter, in four seasons.

Cortland finished the season with a 23-5 record, won the SUNYAC regular-season title and qualified for the NCAA Division III tournament for the second time in three years and seventh time overall. The Red Dragons were a combined 83-29 over Maye’s and VanDusen’s four years.
