Coaching Staff

Jeanette Yeoman
Head Coach

Jeanette Yeoman enters her eighth season as head coach of SUNY Cortland’s women’s basketball program in 2005-06. Cortland’s career win leader, Yeoman has an impressive record of 157-40 (.797) in seven seasons with the Red Dragons.

Yeoman’s Cortland teams have won at least 19 games in six of her seven campaigns. Last year’s squad finished 19-7 and tied for third in the State University of New York Athletic Conference (SUNYAC) tournament. In the 2003-04 season, Yeoman was named the SUNYAC Coach of the Year. She led the Red Dragons to a 25-5 record, the league title and the NCAA Division III tournament. Cortland won its opening-round NCAA game and finished tied for 17th nationally.

In all, Yeoman has led Cortland to three SUNYAC tournament titles and four NCAA playoff showings. In 2000-01, the Red Dragons finished with a school-best 27-3 record, won the SUNYAC regular season crown and made the program’s first NCAA “Sweet 16” appearance since 1992. Cortland was 26-2 in 1999-2000 and 25-3 in 1998-99. In both of those seasons, the Red Dragons won the SUNYAC regular season and tournament titles and received a bye into the second round of the NCAA playoffs. Yeoman was the SUNYAC co-Coach of the Year in the 1999-2000 season.

She led the Red Dragons to a 19-8 record in 2001-02 and a 16-12 mark in 2002-03. The Red Dragons advanced to the SUNYAC tournament championship game six straight years from 1999-2004.

Yeoman was named the Basketball Coaches Association of New York (BCANY) Coach of the Year in 2000, 2001 and 2004. She is currently a member of the BCANY’s Board of Directors.

Prior to her arrival at Cortland, Yeoman served as the head women’s basketball coach at Alfred University for four seasons. She led the Saxons to a 16-9 mark in 1996-97, the second best record in the program’s history and its first winning season in nine years. The team qualified for the New York State Women’s Collegiate Athletic Association playoffs. She also served as Alfred’s Senior Women’s Administrator for two years.

Yeoman was an assistant coach at Northern Michigan University for four years prior to Alfred. During that stretch, the Wildcats had a combined 85-31 record and made two trips to the NCAA Division II playoffs. Yeoman also served as a graduate assistant coach at Shippensburg (Pa.) University.

A 1990 alumna of St. Joseph’s College in Rensselaer, Ind., Yeoman graduated as the school’s all-time leading scorer with 2,280 points. As a senior she was a first team All-American and Great Lakes Valley Conference (GLVC) Player of the Year as she led the Pumas to a 28-2 record and the NCAA Division II “Elite Eight.” She also led the team to 27-4 marks and the NCAA playoffs in both her sophomore and junior seasons. She was inducted into the GLVC Hall of Fame in May 2004.

The Lafayette, Ind., native scored at least 50 points on two occasions, including a school and GLVC record 51 points along with 22 assists against Lewis University as a senior. A member of St. Joseph’s Athletic Hall of Fame, Yeoman was ranked 12th on the NCAA Division II career scoring chart, entering the 2004-05 season.

CORTLAND
About SUNY Cortland

Located atop one of the rolling hills in central New York’s “City of Seven Valleys,” the State University of New York College at Cortland was founded in 1868 as the Cortland Normal School, which included among its earliest students inventor and industrialist Elmer A. Sperry of Sperry-Rand Corp. fame.

Over the decades, the campus expanded and in 1941, by an act of legislature and the Board of Regents, the institution officially became a four-year college providing courses leading to the bachelor’s degree. In 1948, Cortland was a founding member of the State University of New York.

Today, approximately 7,500 students are pursuing degrees within the College’s three academic divisions — arts and sciences, professional studies and the school of education. Twenty-three departments with a faculty of more than 400 offer the SUNY Cortland student body 70 majors and 44 minors from which to choose.

The College’s main campus covers 191 acres and includes 31 traditional and modern buildings. Fifteen of these structures are residence halls providing on-campus housing for approximately 3,000 students. Cortland also operates its Outdoor Education Center at Raquette Lake in the Adirondacks, the Hoxie Gorge Nature Preserve outside Cortland, and the Brauer Memorial Geological Field Station on the Helderberg Escarpment near Albany.

At Cortland, athletics are viewed as having an important role in the educational mission of the College. During the fall, winter and spring seasons, Cortland participates in 25 intercollegiate sports — 14 women’s and 11 men’s — in an attempt to provide a broad program which meets the needs, interests and abilities of its students.

The Cortland athletic program placed 13th nationally out of 434 colleges and universities in the 2004-05 all-sport United States Sports Academy Directors’ Cup Division III standings. The award was formerly known as the Sears Directors’ Cup from 1995-2002 and the National Association of Collegiate Directors of Athletics (NACDA) Directors’ Cup in the 2002-03 school year. Cortland is the only New York school and one of only six nationwide to finish in the top 20 each of the last 10 years. Since 1989, the Red Dragons have captured 12 NCAA Division III team titles.

The College offers its student-athletes excellent athletic facilities. The newly-constructed on-campus stadium features two artificial turf fields. One field seats 6,500 spectators, the other 1,500. The Cortland football, field hockey, men’s and women’s soccer, men’s and women’s lacrosse and men’s and women’s track and field teams are among those who utilize the facility, which the New York Times called “...a new stadium worthy of a major university power.”

The Bessie L. Park Physical Education and Recreation Center, opened in 1973, features the Whitney T. Corey Gymnasium with a 3,500 seating capacity; the Olympic-sized Harriet Holsten swimming pool with gallery seating for 1,500; the Alumni Ice Arena, a facility which can accommodate 2,500 spectators; a 500-seat gymnastics arena, racquetball and squash courts, a wrestling room, modern athletic training facilities and the state-of-the-art Francis Woods Fitness Facility.

Nearby Clayton R. Lusk Field House, with its tartan-textured surface, is home for the indoor track teams, varsity practice sessions and recreational activities. Cortland’s soccer teams play on T. Fred “Prof” Holloway Field, which has lights for night contests and newly installed bleachers. The College also has 22 outdoor tennis courts and two outdoor basketball courts and boasts Robert H. Wallace Field (baseball) and Dragon Field (softball) as part of its 51 acres of athletic fields.
