Cortland’s Kristin Taylor Named ECAC West
Women’s Ice Hockey Goaltender of the Week

SUNY Cortland sophomore Kristin Taylor (Syracuse/Camillus U19) has been chosen as the ECAC West women’s ice hockey Goaltender of the Week for the week ending Oct. 29.

In her collegiate debut, Taylor made 43 saves as the Red Dragons played to a 3-3 tie at Oswego Sunday afternoon. She turned away 15 of 16 shots on goal in the third period and all eight of the Lakers’ shots on net in the five minute overtime period. The game was Cortland’s season opener.

Taylor transferred to Cortland this season from Onondaga Community College, which does not have an ice hockey program.
