Dear Joshua,

This is a progress report to inform you of your overall performance on the unit *Number the Stars*. You seem to grasp what we have been studying during this unit, but do not seem overly devoted to your work. I am proud of your test grade and of your written poem. Your poem about Peter was detailed and captivating. I am a little bit concerned with your presentation and your participation. Your presentation was not well planned because you lacked the use of a media component. For our next class discussion, I would like you to express your feelings about the unit. You received a 30/30 on the test, a 40/40 on your poem, 10/20 on your presentation and 5/10 for participation. You have received an overall grade of an 85% for this unit. Keep working hard!

Thank You,
Miss Hunt

Joshua received a 30/30 on the test, a 40/40 on his poem, 10/20 on his presentation and 5/10 for participation, leaving him with an overall grade of 85%. Dear Nicole,

5/7/02

This progress report is to inform you of your overall performance for this month’s unit on *Number the Stars*. I am very concerned with your abilities this month. It seems, that you are confused with the main themes of the story and unsure of how to write poems. You did not do very well this month and I have not seen an improvement in any of your work. You have done poorly on all of the assignments this month. You received a 15/30 on the test, 20/40 on the poem, 5/20 for the presentation and 0/10 for participation, leaving you with an average of 40%. We need to set up a conference to discuss these grades, and discuss some extra credit options. I know that you are capable of doing better and this is not your best effort. Please see me by Wednesday morning.

Thank You,
Miss Hunt

alarmed at this severe drop in grades, because Nicole usually does very well. I have been observing Nicole for one month now, and she has been quite inattentive. Nicole received a 15/30 on the test, 20/40 on her poem, 5/20 for her presentation and 0/10 for participation. I am not sure if Nicole has given up on studying or if something is troubling her. I would like to speak to both of you and Nicole. I feel we both need to discuss some adjustments and some new learning strategies. Please contact me this week at 487-9990.

Thank You,
Miss Hunt
